Welcome

So that thus it is, that natural Men are held in the Hand of God over the Pit of Hell; they have deserved the very Pit... Jonathan Edwards is famous or infamous for these words. Though in their context many argue the words are not as hellish as they sound. Context or no context, John the Apostle has something to say about Jonathan Edward's "Pit of Hell." According to the final book of the Bible it comes down to the Final Kingdom or the Pit. This week we end our journey through Daniel & Revelation. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
