Welcome

Welcome: Have you ever bought something only to find out that a friend had it and is happy to just give it to you? Two thoughts immediately run through your mind, the first is “ugh!” what a waste of \$2 or \$200 dollars. The second is, can I return it!? There will no doubt be some who stand before Jesus one day and hear Him explain that what they thought they had to pay for, He actually gave them for free. This week, October 31, will mark the 500th anniversary of the day that Martin Luther protested paying for salvation, something that a Friend is willing to give us. This week our celebration of communion is a reminder that Jesus gave Himself guaranteeing salvation full and free to us. Welcome to Campion.

Our Mission
