Welcome

The leaves were blowing outside and one of our pastors and elders was bending over in a prayer of anointing for one of our church family members. The prayer of anointing is very much a prayer of surrender, while praying for a specific cause or answer, it is ultimately one of absolute surrender. The fall season is a reminder of surrender. As nature takes a pause trusting in the the unhurried timing of seasonal change, we all know that life will be reborn and hope will be enough to carry us but for this sometimes colorful and sometimes colorless season we are constantly reminded of surrender and trust. That is the lesson of the communion celebration. We take the bread and juice, symbolically taking the body and blood of Jesus, is an act and a statement of surrender. This week we choose surrender and trust at Campion. Welcome.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
