Welcome

Words. Are. Powerful. Words have the ability to convince, initiate an emotion, provide perspective, and it can be said with almost no argument that words have more than changed the course of history--they have created history. The brother of Jesus, James, wrote in his little epistle that words are like a spark. While James' caution is for any one of us with a tongue, it is more a statement of the power and the potential of that tongue. In the celebration of Thanksgiving our prayer is that the giving of thanks will forever change our lives, because words are that powerful. Welcome to Campion.

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth, youth
involvement,
and
community interaction.
