Welcome

Matthew Dippel's picture of a marriage proposal on Yosemite National Park's precipitous Taft Point was shared thousands of times as the online world helped Dippel search for the unknown couple. It was a beautiful shot that caught both the eye and the heart as the silhouette of a man on bended knee looks up into the face of a woman surrounded by thin air (drop-offs on three sides). This week the photography world celebrated as social media brought together photographer and happily engaged couple (Charlie Bear & Melissa Ngo). That search may be over, but on our campus a search continues that includes every man, woman, student, and child. This becomes our final reflection in the book of Acts this fall. Parents and students and community, welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

The Appearing, November 8-10. The ancients predicted it. Millions of people can't stop talking about it. And even though global unrest and natural disasters indicate it will happen soon, few agree on exactly how or when it will happen. Is it possible that many people are making a mistake about the Appearing—an event mentioned more than 2,500 times in the Bible? Don't miss *The Appearing*, hosted by Voice of Prophecy Speaker/Director Shawn Boonstra and pastor Nestor in our Fellowship Hall.

Community Prayer Time: November 8 at 6:30pm at House of Neighborly Service Building. We will be celebrating and praying for the blessings in our lives and also remembering our veterans. Joe Martin will lead in our prayer time.
