## November 4, 2017

### 10:45 AM

## Welcome

Your great-great-great-great-great grandpa probably lived during the time that Martin Luther, and a host of other reformers, charged into the unknown following their convictions of *sola scriptura* and *sola Christo*. Then your great-great grandma witnessed something (if she happened to be in this country) that the United States has not seen at any other time. In the short space of thirteen years, a message and interest spread with an unparalleled impact. The theme? Jesus is coming! Could it be that now is the right time to move forward with what our grandparents were a part of? If not me, who? If not now, when? Welcome to Campion.

## Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
