Welcome

All the astronauts are worked up, thanks to Stephen Curry and his expressed doubt this week that men ever landed on the moon. But speaking of astronauts, Frank Borman and Jim Lovell in December 1965 while on Gemini 7 (which did 206 orbits in 14 days) requested "I'll Be Home for Christmas" to be played for them by the NASA ground crew. That much-loved song was written from the perspective of a WWII soldier writing a letter back to his family. The soldier sends his requests for the holiday – snow, mistletoe and presents under the tree. These delights coupled with being where the "love light gleams" are everything one could ask for. But could it be, that the Christmas story is really what can bring us home? Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

ARISE AND *Build*

"The God of heaven, He will prosper us; therefore we His servants will arise and build." *Nehemiah 2:20 (KJV)*

While we have had to wait a few extra months for the ground breaking of our building addition, the final plans have been submitted and we look forward to an early spring ground breaking. It will be exciting to have extra space for our children's and adult classes as well as an inviting space for community events. Our capital campaign is currently at 90% of the \$2 million needed. The total \$2 million can be split into four categories: \$888,633.78 has been given and currently sits in an investment through Chase Bank until next spring. \$234,435.40 remains as committed but will be given over the next 24 months. \$565,300 is professional work in kind that has been committed. \$213,792.13 remains to be raised. Thank you for your sacrificial and generous commitments.
