Welcome

Madonna said in an interview with Vogue magazine: "My drive in life comes from a fear of being mediocre. That is always pushing me. I push past one spell of it and discover myself as a special human being, but then I feel I am still mediocre and uninteresting unless I do something else. Because even though I have become somebody, I still have to prove that I am somebody. My struggle has never ended and I guess it never will." Let's not be hard on Madonna; her struggle is really our struggle. Thankfully, there is something that frees us from this cycle of self-approval. This freedom only comes from the gospel. Welcome to Campion.
