Welcome

A key point from the Teen Life Application Study Bible on the book of James is “Living faith, James contrasts empty faith (“claims without conduct”) with faith that works.” Commitment to love and to serve is evidence of true faith. What can James teach us today? He gives us such practical insights into how to follow Jesus. Have you ever needed wisdom? James tells us to just ask God and He is more than generous to give it to us. How do we treat people? James tells us to respect all people and show our faith by giving to those who have needs. How can we be more like Jesus this week? Welcome to Campion.

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth,
youth involvement,
and
community interaction.
