Welcome

Annie Hawks shares how she wrote the lyrics to her immortal hymn: "One day as a young wife and mother of 37 years of age, I was busy with my regular household tasks during a bright June morning [in 1872]. Suddenly, I became so filled with the sense of nearness to the Master that, wondering how one could live without Him, either in joy or pain, these words were ushered into my mind, the thought at once taking full possession of me - 'I Need Thee Every Hour...'" May you, too, sense your desperate need and the refreshing nearness of the Master in this worship hour. Welcome to Campion.
