Welcome

"You have the right to remain silent and refuse to answer questions. Anything you say may be used against you in a court of law, and so begins the Miranda Warning. It's typically not acts motivated by intelligence that bring on the reminder of what one's rights are. But it's different in the *Final Kingdom* where the Ancient of Days presides... acting intelligently actually lands you in His court room. This week we head into court, and listen in to a decision our United States Supreme Court has no authority over. Welcome to Campion.

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth, youth
involvement,
and
community interaction.
