## Welcome

Tuesday this week, the first direct commercial flight (happened to be JetBlue) from the United States to Cuba in 55 years flew without incident (the only other direct flights in the last 55 years have been hijacked flights). The JetBlue flight from Fort Lauderdale took only 51 minutes to land at Abel Santamaria Airport in Cuba. JetBlue is offering the flight for those who qualify (apparently there are still some restrictions) for \$99 one way. Sitting in a plane feels a little like sitting in church. Everyone sits facing the same way, you typically want other people on the flight but not too close to you (except for family). We describe both events as "nice" and expect both, in some regards, to take us somewhere. This will be part of our reflection in this week's teaching on the Final Kingdom. Welcome to Campion

## Our Mission

We serve and glorify God  
through  
Christ-centered worship,  
individual spiritual growth, youth  
involvement,  
and  
community interaction.
