Welcome

Today in 1939 Great Britain and France declared war on Germany in World II. That was an important date for a lot of people, if not our world over. What will this day mean to us one year from now? Five years from now? What can this day mean? In worship and the study of God's Word or perhaps in a moment of fellowship or reflection, listen for the invitation of our radical God to be a radical follower. This day in history could be important to you, to us, to the world over. It only takes one radical. Welcome to Campion for worship.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.
