A Weekend focus on Mission and Worship in Northeast Colorado

This weekend is an opportunity for our community of churches in NE Colorado to come together in worship and focus on the mission of Jesus. The offerings collected, while a portion will cover the expenses of the weekend, a youth evangelism team made up of high school students of RMC will be organized to spend the summer doing evangelistic programming at churches throughout the RMC. These funds will help make that possible and provide scholarships for the students. Using the tithe envelope in the program you are invited to mark your home church and any tithes will be sent there.
